Dear Victoria:

RE: Municipality of the District of Yarmouth

- **GRID - Nova West Regional Business Park Phase 2 Wastewater Collection System**

Thank you for your application under the Growth and Renewal for Infrastructure Development (GRID) program for the Nova West Regional Business Park Phase 2 Wastewater Collection System Project.

Regrettably, we are unable to provide support for the Municipality's project as municipal applicants are permitted only one project approval per GRID cycle.

We appreciate your efforts in bringing forward this important initiative and encourage you to re-apply for the next application call later this year if your priority project which received funding is complete.

Should you have any questions, please contact me at 902-499-0074 or by email at: ahmed.yaiesh@novascotia.ca.

Sincerely,

Ahmed Yaiesh
Manager, Municipal Infrastructure
