# YARMOUTH

## DOMESTIC VIOLENCE DAY OF AWARENESS

## BARB'S BENCH COMMORATION EVENT

Join us on Wednesday, June 4, 2025, as the community of Yarmouth, in partnership with our three local municipalities, comes together to recognize domestic and gender-based violence as the epidemic it is.

As part of this important day, five purple benches will be dedicated across the county through the Barb's Bench Project, in collaboration with Silent Witness Nova Scotia. These benches honor lives lost to domestic violence and serve as a symbol of support, awareness, and accessible local resources.

Together, we can stand against violence and ensure no one feels alone.
