**SPRING FEST – KEMPTVILLE BETTERMENT SOCIETY**

Dear John:

The Kemptville Betterment Society (KBS) will be holding its first Spring Fest on Saturday, May 31, 2025, at the Kemptville Firehall. The enclosed information sheet provides details of scheduled events. As the Councillor for the portion of our community located in Yarmouth Municipality, KBS is extending an invitation for you to attend.

Following a long winter, this event is intended to attract residents of all ages from Kemptville and our surrounding communities for a day of fun, games, music and socializing. Although not billed as a fundraising event, proceeds will help to provide some seed money for our broader objective of eventually constructing a much-needed multi-purpose facility for Kemptville.

We look forward to welcoming you to our Spring Fest!

Sincerely,

Robert C. Zwicker, President  
Kemptville Betterment Society
